Sir,

With reference to your docket No 1271/Edn 216-07-2 dated the 25th January 1908 requesting me to send all the applications received by me for Building and other Lump Sum Grants to be paid from the provision of Rs 5000 allotted for such grants in the budget for 1907-08, I have the honour to inform you that besides the applications included in the list appended to this office letter No 5092/316 of 25 12 1907, there were only two other applications, Viz, an application of Mr B Ramakrishna Rao Honorary Secretary to Board of Trustees for the management of the Maharajas High School at Mysore

and [redacted] of [redacted] R [redacted]
Rao, Honorary Secretary National
Girls School Committee, Hassan I
did not recommend the first
application as my letter of 13 3 1907
requesting the Honorary Secretary
to send plan and estimate of the
building has up to date remained
unanswered, and without the plan
and estimate I did not think it
proper to recommend the grant
To save time, however I have in-
cluded conditionally Rs 3500 in my
list forwarded with letter No 6568/417
of 14th February 1908 As for the
second application, I had in reply
to the Honorary Secretary's letter dated
the 19th May 1907 told him I would
recommend a grant for his school
which would be paid to him only
after 1st July 1908, and he had agreed
to the proposal I have accordingly
now included a building grant of
Rs 2500 for the National Girls' School
in the budget of 1908-09 There are no
other applications for consideration
Under these circumstances, I request
that Government may be pleased to
sanction the grant recommended in
my letter No 5092/316 dated the 25th December 1907
